## Mother/Daughter Program for ages 10-12

Sunday April 26<sup>th</sup>

1:00 – 4:00 p.m.

*The Mother/Daughter Program* explores God's special gift of human fertility and the beauty and wonder of God's plan for growing up and becoming a woman. Topics include: the changes in a young woman's body as it prepares for motherhood; the onset of ovulation and subsequent menstrual periods; the functions of the female reproductive system; the sacredness of human life; the virtue of chastity; and a confidential question and answer segment.

*In a fun and loving atmosphere*, your daughter will explore the important topic of growing up, and establish a foundation for continued communication between parent and child. The program emphasizes respect, understanding and appreciation for God's gift of fertility. Girls are also welcome to come with grandmothers, aunts, or any other important woman in their life. Pro-life and chastity materials will also be available at the resource sales table.
